

*Update on Haili Congregational Church Service Live Streaming

Aloha & Hau‘ouli Makahiki Hou (Happy New Year) Members and FB ‘Ohana,

In reference to our canceling of the HAILI Church live streaming of our weekly services, we would like to share that the church leadership is currently researching other alternatives such as recording the services to keep you, our members and viewers, current and informed staying connected to our Church.

After all the details have been worked out we will be posting the information on [hailichurch.org website](http://hailichurch.org). In the meantime, please feel free to join us in person as we continue weekly in person services. The worship service begins with the Organ prelude at 9:55 a.m. followed by service at 10:00. We look forward to seeing you.

Should you have any questions or other concerns, please do not hesitate to call Daniel Kawaha at our church Office (808) 935-4847.

In Christ’s Service,

Ku‘ulei Hughes-Okada, Diaconate Board Chairperson
